RESURFACING OF STREETS 2025-2026

CONTRACT NO. 2025-001

CITY OF GREENSBORO, NC

Sealed proposals will be received by the City of Greensboro, NC in the Engineering Conference Room (#313) located on the 3rd floor of the City of Greensboro's Melvin Municipal Office Building until **2:00 p.m. local time**, on **Thursday, October 16, 2025**, for the above listed contract as shown in the plans and described in the Special Conditions. The Melvin Municipal Office building is located at 300 West Washington Street, Greensboro, NC 27401. The Bid Opening will also be available via Zoom. This is a non-bifurcated bid process.

This contract consists of, but is not limited to, the resurfacing of streets as identified by this contract. Work may also include the removal and installation of sidewalks, concrete curb ramps, concrete islands, driveway aprons, pavement markings, signal loops, adjustment of valve boxes and manhole ring and covers, all of which shall be addressed in accordance with the contract documents enclosed herein. All materials and workmanship shall be in accordance with all referenced plans and specifications herein.

For further information along with instructions to obtain electronic and/or hard copies of the Plans and Specifications, contact Ms. Kristen Kollgaard, Engineering Division, 300 West Washington Street, Suite 322, Greensboro, North Carolina 27401, fax: (336) 373-2338, or email: engbids@greensboro-nc.gov

A pre-bid meeting will be held at **10:00 a.m., Thursday, October 2, 2025**, in the Melvin Municipal Office Building 3rd Floor Engineering Conference Room (#313) located at 300 West Washington Street, Greensboro, NC. The Pre-Bid Meeting will also be made available via Zoom. All plan holders and other interested parties will be emailed the Zoom meeting link along with the Meeting ID and any applicable password prior to the Pre-Bid meeting.

The City reserves the right to waive any informality or to reject any or all bids or to award such contract as in its judgment is deemed to be in the best interest of the City.

JASON GEARY, PE
CITY ENGINEER
