

Addendum 1

November 26, 2025

<https://www.greensboro-nc.gov/departments/engineering-inspections/developers-contractors/available-contracts>

1.4 Supplemental Agreements

Updated to reference Federal Uniform Guidance requirements.

3.4 Categories of Work

Category I, "Materials Testing" was updated to "Materials Testing and Geotechnical Services."

4.9 Submittal Date and Time

All references reflect email documentation as the required submittal type.

4.11 SOQ Organization

SOQ organization: updated to include an "Overview" section including a combined cover letter and letter of interest.

References: updated to reflect number of references per Category of Work and includes the addition of an optional reference form included as Appendix G.

5.2 Qualifications-Based Selection Criteria

5.2.3 Billable hourly rates (15%) was removed and points reallocated to the following:

- Past performance, and examples of similar work products and services that demonstrate the Consultant's ability to provide creative solutions (30%)
- Education and training of personnel (30%);
- References for each Category of Work (25%)
- M/WBE Commitment for each Category of Work (10%)
- Local Presence (5%)
